**During your project presentation, you must do a 2-3 minutes demo, and you need to use the provided testing file: [test.X68](#).**

**[\(<https://canvas.uw.edu/courses/1408528/files/67695666/download?wrap=1>\)](https://canvas.uw.edu/courses/1408528/files/67695666/download?wrap=1) You may modify this testing file to make it work for your presentation.**

## **Presentation requirements.**

When your team is presenting, you should keep video on.

When other teams are presenting, you must keep video and audio off until Q/A time.

Each group is required to make presentation slides to include:

1. Team name and team members.
2. List of I/O, opcode and EAs that have been completed.
3. List of incomplete tasks.
4. Any problems that your team have encountered so far to share with other groups.
5. Any observed software bugs of the simulator.

Each group will have **up to 8 minutes** to present your program, including presentation (up to 5 minutes), demo (2-3 minutes), and Q/A (1 minute) time.

**You need to download and fill in the [evaluation form](#)**
